Bishop Tudor Bismark resides in Harare, Zimbabwe, which is in the southern region of the continent of Africa. He and his wife, ChiChi, founded Jabula New Life Ministries International in 1989, initially as an extension of New Life Covenant Church in Harare. Bishop Bismark serves as an Apostolic overseer to over 900 churches in 12 African nations, the United Kingdom, New Zealand, South America, the West Indies and the United States. In addition to providing full-time financial support to hundreds of pastors and churches, the ministry is responsible for the operation of an extensive Medical Assistance Program, orphanages, and other humanitarian outreaches in Southern Africa. In two previous books, *Order in the House* and *The Kingdom in Motion*, Bishop Bismark dealt with the basic dynamics of Kingdom theology and Kingdom structure. This new series directly addresses the need for order in our personal lives. Many times we question the lack of blessing in our lives, blind to the chaos in which we live. Once we understand that God blesses order, we can begin to establish order and align ourselves with an orderly God and all that He has planned for us. An ordered life is imperative, as it will create a counter culture of order in the body of Christ and society at large. This study covers the following: Fruitfulness The Way Mantles Pass Influence Order versus Disorder Ordained Order Order Produces Prosperity In addition to exceptional teaching and workbook questions, this study guide is full of wonderful truths from God's Word, powerful one-liners from Bishop Bismark, and expanded teaching not found on the DVDs and CDs. Get ready for life-changing revelation in this new series by Bishop Bismark, *The Order of the Kingdom*.
